1. Mr. Houston and [redacted] 25X1A discussed in detail the possibility of an appearance before the House Committee on Un-American Activities by [redacted] 25X1C [redacted] 25X1C It was their feeling that if the appearance were conducted under secure conditions such as have been used in other cases, this could be handled without great difficulty. They then took this matter up with the Director who called Richard Arens, Staff Director of HCUA and agreed to the appearance under these circumstances. We are to meet with Arens on Thursday to discuss details of this appearance.

2. Mr. Kirkpatrick called to say that he had written a memorandum which set forth a request by Jay Sourwine of the Senate Internal Security Subcommittee Staff that we produce [redacted] 25X1C for that Subcommittee.

4. Chatted by telephone with John Lehman, Clerk Chairman of the Joint Economic Committee, concerning the Director's appearance on Friday. He advised the hearings would be held in the Old Supreme Court Chamber in the Senate wing on the second floor of the Capitol. He also indicated that Chairman Bolling was planning on a short question and answer period following the Director's remarks.

25X1A 5. Advised Miss McCann in the office of Senator John F. Kennedy (D., Mass.) that [redacted] had applied for a position with the Agency in 1954 but that we had no openings at that time.
